

"SPIDERS" WIN FROM INDIANS

Richmond Locals and Collegians Have a Hard Tussle.

OUTCLASS DOWN-TOWN TEAM

Game is Won By Superior Training And Skill of Collegians.

In a closely contested game yesterday afternoon between Richmond College and the Richmond Indians, the latter were defeated by a score of 6 to 6. The Indians put up a plucky, hard-fought game, but they lacked team work, and were outclassed by the better trained college team. The score indicates little of the disparity between the two teams, but the odds, for lack of team practice, were heavily against the Indians. The spiders played their usual good, fast game, showing that strength and weight count for little against superior skill and team work. The game will put the Richmonders in good trim for the second game of the Eastern State championship series to be played with Randolph-Macon on Saturday week.

Miller started again, as he did last Saturday, making another 60-yard run for a touchdown. He had splendid interference from four fellows, and followed it well, making a clean dash for a touchdown squarely between the goal posts. It was a great dash, and the runner received the hearty applause he so well deserved. It was made by a fake pass, leaving Miller almost a clean field for the score.

Gruner, for the Richmond Indians, proved himself a splendid kicker, and this served his team many times in good stead.

The first and only touchdown was made in the first half, the teams holding each other well in the second half, and neither being able to score.

The Game in Detail.

The game was called promptly at 4 o'clock, and the spiders kicked off to the Richmond Indians defending the western goal.

The ball was advanced to the 35-yard line. Mayo tried a quarter back run, and was downed in his tracks. Collier made 10 through the line, and Gruner added 3 more. Gruner cleared 3 yards, and was followed by Parker with 2. Gruner again had the ball, and fumbled it, but it was regained by Collier. Several more passes were made, but resulting in only small gains, the Indians kicked to the 35-yard line.

On the 45-yard line the ball was fumbled and lost to the Indians. Gruner made 4 yards, and Collier added 1 more. On the third down Gruner tried a drop kick, but the ball went too high, dropping on the 30-yard line. The spiders begged it, and Jones made 8 yards. Bowen went round the end for 4 yards, and Miller went through for 4 yards. The ball was then passed to Miller, who, in a brilliant dash, cleared the field for 60 yards, and went over for a touchdown. Mensch kicked goal, and made the score 6 to 0 in favor of the spiders.

The Indians kicked to the college boys defending the eastern goal. Gruner kicked, and the ball bounced from the fence. Mensch catching it, and making to the 20-yard line. Bowen fumbled the ball and lost it to the Indians. Jones, for the Indians, was knocked out of the game, and had to be carried from the field. His condition was so bad that he had to be taken to the Virginia Hospital. Fletcher was substituted for him.

After a few more insignificant gains, Gruner fumbled the ball and lost 4 yards. Jones, Gooch and Bowen made several gains, and time was called with the ball in Richmond College's possession on the 45-yard line.

Score, Richmond College, 6; Richmond Indians, 0.

Second Half.

The Indians kicked off to Richmond College, defending the western goal. Miller advanced the ball to the 40-yard line. Richmond made 7 yards further, and, on the second down, Mensch tried for a quarter back kick for 10 yards. The ball did not go the required distance, and the Indians got it. The Indians made 1 yard, and the ball was fumbled. Parker made it, but the oval was regained by Bahe, and the two carried it 10 yards. Parker made 2 yards, and Gruner was thrown for a loss of 4 yards. Elmore grabbed the ball and carried it 30 yards, but the ball

had been downed, and was brought back to the 45-yard line. The ball went over, and Garrett, who had been substituted for Jones, carried it 4 yards. Gooch made 4 yards and 2, and Louthan carried it 2 yards further. Miller fell with the ball, and it went over to the Indians. The Indians were unable to make the required distance, and the ball again went over to the spiders on the 35-yard line. This time Richmond was unable to gain, and for the third time, the ball went over to the Indians on the 37-yard line. The Indians made 2 yards and fumbled. The spiders again got the bouncing oval, and Miller made 2 yards. The rest of the game was a kicking contest, and the game ended on the 35-yard line, with the ball in the spiders' possession.

Hunters Seriously Injured and One Horse Killed Following Fox.

(Special to The Times-Dispatch.)

BARDSTOWN, KY., Nov. 16.—During the trials of the derby state of the National Fox Hunters' Association here two men and one lady rider narrowly escaped injury. A horse was killed and a number of people more or less injured by scratches from the undercarriage and the strains from reckless and fast riding. The best chase ever witnessed at a meeting of the association was participated in by 75 persons. General Henry T. Allen, of Washington, was one of the judges, and was much of the time near the hounds.

William Wade, the wealthy Oak Mount, Pa., philanthropist, received a painful injury by his horse making a quick lunge across a small stream. The horse ridden by Miss Beale Langston, of Cincinnati, fell dead. The trial was held on the Louisville road, four miles from town. It was about 8 o'clock when a fine red fox was jumped and after this first jump the chase was fast and furious. It was the second trial, and to-night the judges awarded first prize to the hounds. William A. Wade and Colonel Jack Chinn, for the respective classifications of driving and speed and hunting and trailing. No award was made for endurance.

To-morrow the initial trials of the alleged hounds will be made. There are 17 entries in this event, which is for a handsome silver cup.

Chief Justice Clark Considers a man's Poverty in Giving Him a New Trial.

(Special to The Times-Dispatch.)

RALEIGH, N. C., November 16.—The Supreme Court affirms the conviction of John Hoener, an old Confederate soldier, for murder in the second degree, and sentenced to twelve years in the penitentiary. He killed D. J. Nichols, a deputy sheriff in Orange county, while the officer was attempting to arrest him.

In the noted case of Bunker vs. Bunker, from Surry county, involving the will of Chang Bunker, one of the famous Siamese twins, the Supreme Court reverses the lower court. The case involved costs in a litigation over the will that was begun in the courts of Surry county in 1886.

POVERTY VS. POWER.

That the plaintiff was a poor and aged man and the defendant the powerful Southern Railway was the reason declared by Chief Justice Clark, of the Supreme Court, why a new trial should be allowed in the appeal of Kearns vs. Railroad, from Davidson county. The majority court had delivered an opinion affirming a non-suit in the trial below, and Chief Justice Clark wrote a dissenting opinion, insisting that the plaintiff, being an old and very poor man, and the defendant a powerful corporation, the trial judge should not have allowed a non-suit, but given the case to the jury instead.

Governor Glenn said, in speaking of the imperative necessity for providing additional accommodations for the insane in the State, that \$5,000 would be required to build the additional room at the two hospitals. That there are at least 500 urgent cases and not less than 1,000 are in great need of being cared for in such institutions.

V. P. I. CANNOT PLAY.

The management of the Virginia Polytechnic Institute foot-ball team notifies the Agricultural and Mechanical team that it will be impossible for them to accept the challenge for a game next Saturday, because a few days there after they are scheduled for a game with the Naval Academy, and don't want to cripple any of their players. They promise a game next season, possibly on Thursday of fair week. However, Agricultural and Mechanical have arranged a game next Saturday with Washington and Lee, and the indications are that this will be a highly important contest, as Washington and Lee made a better showing in their game with Virginia Polytechnic Institute than did Carolina.

OFFICER KRAFT NOW HIGH GUN OF FORCE

Smites the Bull's Eye Unmercifully, Making 27 Out of Possible 30.

Police Officer Kraft is the "high gun" of the Richmond police force, and he has a record which is hard to beat. At the target practice Wednesday afternoon he made a score of 27 out of a possible 30, the like of which had not been done before.

Mr. Kraft had six shots, each shot having a possible value of five points.

OFFICER F. M. KRAFT.

The First District man smote the bull's eye three times, and with his three remaining shots he scored four points each, a total of 27. The next highest score was 25, which was the highest until Mr. Kraft went one better. Rivalry is keen now. That score has got to be beaten. The First District is very proud of their man, and Mr. Kraft is wearing his honors becomingly, though modestly. He has got to maintain his reputation also, or his opponents of the Second District will be crying "Chance" at him. Mr. Kraft was appointed February 25, 1897, and is a popular and efficient officer.

(Special to The Times-Dispatch.)

NEWPORT NEWS, VA., November 16. It is reliably reported here that the Old Dominion Steamship Company will shortly have the steamship Hamilton and two of the other New York steamers cut in two, lengthened, and their carrying capacity increased.

Increased business between the Virginia ports and New York makes this necessary. It is expected that the local ship yard will secure the contract for the work.

THE OAK RIDGE HUNT CLUB IN THE FIELD

A Party of Lynchburg Ladies and Gentlemen Chase the Willy Fox.

(Special to The Times-Dispatch.)

AMHERST, VA., November 16.—The Oak Ridge Hunt Club of Lynchburg are spending a week in Amherst for hunting. Yesterday a red fox was started on Richerson's Mountain and chased for several hours, but the wily Amherst red fox proved too much for the Lynchburg hounds and it lost them when it crossed over the mountain into Pedlar Valley.

Eight of the party rode to the hounds and jumped fences and ditches in their efforts to keep pace with them in the chase. Those who rode were J. M. B. Lewis, master of the hounds; H. B. Sackett, on Stockwin; Mr. Paul Edmunds, on Woodlight; Miss Mina Otey, on Senator; Miss Helen on Talley; Miss Anna Jones, on Betsey.

To-day the hounds were taken in the opposite direction and quickly started a gray fox. The party rode to the hounds and jumped fences and ditches in their efforts to keep pace with them in the chase. Those who rode were J. M. B. Lewis, master of the hounds; H. B. Sackett, on Stockwin; Mr. Paul Edmunds, on Woodlight; Miss Mina Otey, on Senator; Miss Helen on Talley; Miss Anna Jones, on Betsey.
